**URGENTLY NEED
REPAIR AND RENEWAL**

We need to raise
£100,000

from the church and Harbury village.
Then this sum will be matched pound for
pound by charities and funders.

To save our church, for now and the
future, please complete the donation
form and return in the envelope provided.

Thank you!

The church and Tom Hauley Room are at the heart of Harbury. We fill the church's 400 seats at Christmas, at Easter, and for Remembrance Day. We celebrate here our births, weddings and deaths. The church and Tom Hauley Room serve the whole community all year round as a place of worship and a social centre for groups and organisations of all ages.

Heat The church heating has finally failed, for good. The Tom Hauley Room heating is beyond repair.
■ A modern low-carbon heating system will guarantee efficient low cost warmth throughout the building.

Light The church needs rewiring and the lighting upgraded. We plan:

- Re-wiring and a low-energy LED system will provide bright, economical, adjustable and safe lighting.
- A modern and efficient audio-visual system, linked, in both the church and Tom Hauley Room.
- Wifi and the opportunity for broadcasts, live performances and concerts.

Stone The roof, the bricks and stonework need restoration.

- Expert repairs to the church roof, tower and stonework will preserve and weatherproof the building for the future.

These changes will make the eight hundred and fifty-year-old church warmer, brighter, greener and more fuel-efficient.
