WORSHIPPING GOD - GROWING IN FAITH - WORKING IN COMMUNITY

A MESSAGE FROM REV ANDY

Greetings to you all from a rectory still plagued by cardboard boxes, but beginning to feel like home! Well it's been quite a journey for us from the wilds of Cumbria down the notorious M6 to a county that holds many familiar memories, but also is a whole new beginning in lots of ways. As I begin my ministry among you I feel its only right to recognise how much commitment and energy has been asked of, and generously offered, by so many during the interregnum. On everyone's behalf I want to pay particular tribute to Rev Ann and Rev Bob, who provided that continuity of ministry, to the readers, the PCC's and of course those lynchpins of parish life, the wardens. But of course there are so many more who contribute to the mission and ministry of the church in each parish and who give each its particular identity and unique presence in the community. I can't give an exhaustive list yet, since there are so many I have yet to meet in person, but as St Paul reminds us God pours out his gifts on his people, both practical and spiritual, and to be healthy and whole all are needed as together we make up his body, continuing the work of Jesus, faithfully obeying his call to make and grow disciples and to demonstrate his love to a world that so desperately needs it.

Thank you to everyone who has contributed in so many different ways to continuing that work especially during the dark times of lockdown and uncertainty that we have all been dealing with during the pandemic. Thank you too to everyone who has made us feel so welcome since our arrival. I have to say it feels a real privilege to have been selected to be your new vicar and I am so looking forward to meeting you all and together discerning the plans and purposes God has in store for us all.

PRAYER OF BLESSING

May the love of Jesus Christ
bring us wholeness,
the grace of God the Father
grant us peace,
the breath of Holy Spirit
instil passion
and the unity between them
give us strength
for this and every day. Amen

Harvest Festival, All Saints', Ladbroke.

A big thank you to everyone who helped make the church look so welcoming for our Harvest Service, with special thanks to Dawn Teverson for the beautiful flowers and to Eileen Dronfield for her wonderful corn dollies. In these difficult times it is so comforting to know that our church is so well loved.

Susan Moore, Churchwarden

REMEMBRANCE SUNDAY - 8th November 2020

A short Remembrance Service will be held at Harbury Church at 10.30 am on Sunday 8th November. There will be no procession to the war memorial. The 2 minute silence will be kept in church and the names of the fallen will be read out in church as part of the service. As numbers are very limited due to social distancing rules anyone who wishes to attend must pre book a seat with Liz McBride on 01926 612421 as soon as possible. (Please wrap up warmly as the church has no heating)

As an alternative maybe people would like to hold the 2 minute silence outside their houses at 11.00 am and lay their poppies at the war memorial anytime over the period from 8th November to 11th November.

Also, we would like to encourage people to make and display a poppy (or two). Whether you draw a poppy to be displayed in a window or have a go at making poppies to be displayed in your front garden; your contribution will help us all commemorate Remembrance Sunday. Thank you.

LATEST CHURCH OF ENGLAND COVID-19 UPDATES

The Church of England website has a dedicated page for the latest national requirements and guidance...

<https://www.churchofengland.org/more/media-centre/coronavirus-covid-19-guidance-churches>

Church of England updated two FAQs:

· *Advice on NHS Test and Trace* in the What to do in the event of a local outbreak section

· *What are the first steps in the event of a local outbreak?* in the What to do in the event of a local outbreak section

"Following the announcement on Monday October 12 of a new three-tier risk alert system for COVID-19, we understand that Places of Worship can remain open at all Tiers – although at the 'high' and 'very high' Tiers there should be no mixing between households.

This recognises the important role churches and other places of worship continue to play in serving their communities and providing vital comfort and support to people amid very difficult times.

However, we fully appreciate the scale of the threat from COVID-19 and recognise the vigilance that places of worship will need to continue to practice in order to minimise the possibility of spread of the virus.

We will study Government detailed Government guidance when it is available and amend our advice as necessary."
