Organized for the whole family

Monthly Activities

1st and 2nd Sundays 3pm

Messy Church invites the entire family to engage in a variety of activities, including crafts, baking, games, songs, and food, all centered around a Bible theme.

Muddy Church is an inviting outdoor space for connecting with nature and God.

This intergenerational initiative encourages communities to discover their unique gifts. Its mission is to offer opportunities for participants to “wander and wonder” together.
